The BEAM Community.

What parents are saying...

As the saying goes, “It takes a village to raise a child” and BEAM is that village. The staff respects my kids and me as an individual. My daughter had problems at another school and since coming to BEAM she has gone from being shy to very outgoing and happy.

- Antoinette, BEAM Parent

BEAM is more than a school, it’s a family. Everyone, including the staff and other parents made me feel so welcome. At BEAM everyone is special.

- Geraldine, BEAM Parent

Since transferring to BEAM my daughter has been on the honor roll every year. The staff is simply amazing and Principal Jude is absolutely wonderful. I recommend BEAM to everyone.

- Camesa, BEAM Parent

What students are saying...

I like that the teachers are caring and understanding. If we have a problem they will help you with it.

- Kerigiti, BEAM Parent

What community partners are saying...

We work with over 30 different schools and there is something special about BEAM students. The quality of work, the way they act towards others, their mannerisms and behavior is exceptional. There truly is a special bond and family atmosphere happening at BEAM.
